Our Core Values: Our PACT

Our Core Values: Our PACT

Pioneer **Dare to be different**

We are not afraid to take risks & think outside of the box.
We are always looking for new & better ways to do things.
We want to push boundaries and deliver value through innovation and creativity.

Challenger **We think, act, win above our weight class**

We take on challenges that others may consider impossible to solve. We are driven by a strong sense of ownership and a desire to succeed. We are willing to put in the hard work and effort necessary to achieve our goals.

Adaptive **Change is always opportunity**

We remain flexible & responsive to changing situations.
We are open to new ideas and approaches and listen to understand the perspectives of others. We are willing to learn and grow from new experiences.

Trustworthy **Actions speak louder than words**

We consistently act with integrity & accountability and focus on value creation for our colleagues and customers. We take pride in doing the right thing, even when it may be difficult. We stay true to our word and deliver on commitments.

About Our Team

120 Employees
Spread across **5** countries

We work as one global team, collaborating across borders to deliver **impact and innovation** every day. Team members from **20 different nationalities**, bring unique perspectives and ideas.

With Joining Zeotap You Choose

Self-Reliability

y We promote maximum flexibility in modes of working - you choose how, when, what you work and you take ownership.

Transparency

We value open and direct feedback and hold PACT values. Collaboration, transparency, failing and learning together are part of our everyday culture.

Engagement

We invite every employee to impact the company's direction in open AllHands, bi-yearly engagement surveys, Q&As and Team goals.

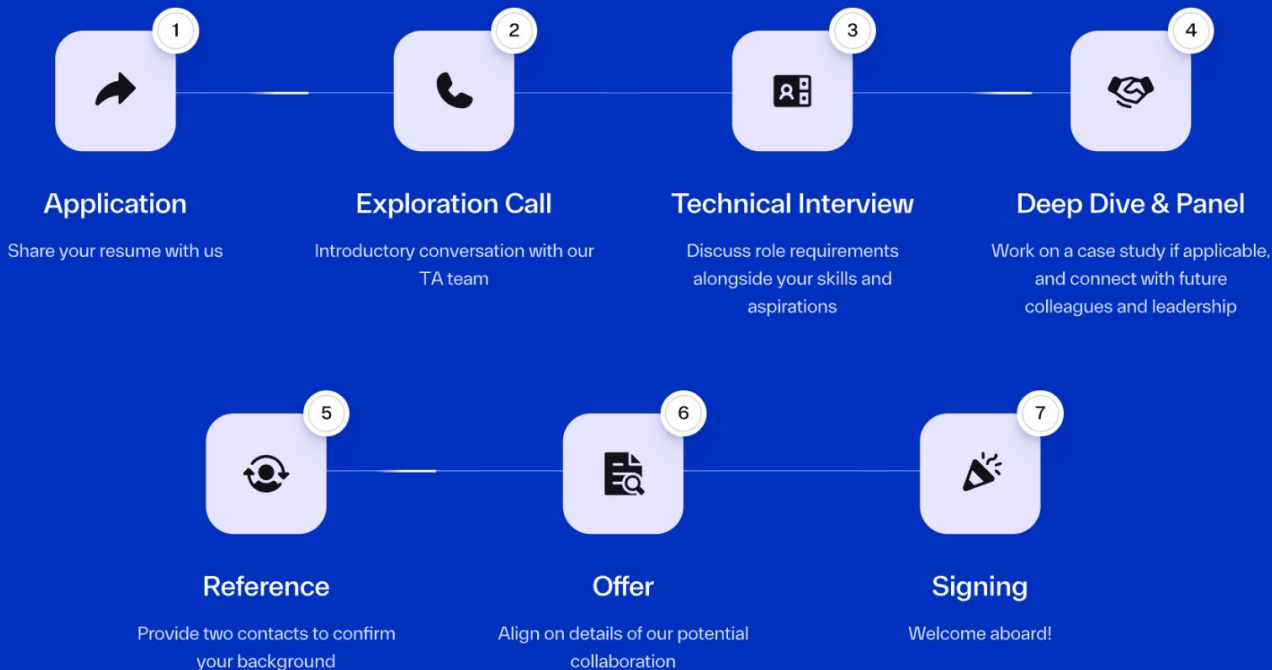

Growth Options

We encourage ownership and focus on outcome over working hours. Instead of set career paths and rigid structures you'll find freedom to test & push your own development.

Benefits

Our benefit packages differ based on the country you are employed in but **may** include: company pension scheme & meal allowance, generous annual leave.

Our Hiring Process

Your Interviews

Come Prepared

We appreciate if you've done your research and bring relevant questions.

Behavioural Style

Be clear, precise and structured. Present specific examples from your past work experience.

Be Your Authentic Self

We hire people not profiles and we want to get to know you and your aspirations.

*The People Team is your **partner** throughout the interview process. We'll be in touch with you all along and invite you to share any questions and thoughts for a smooth journey and a joint decision.*

*During your onboarding we keep having **regular check ins**, support with a **tailored onboarding plan** and a **mid-term probation period review**.*

Good Luck!
